Introducing The Oaks new website

The Oaks is proud to announce our new website at www.theoakshoa.org and a new email address contact@theoakshoa.org.

Please take a little time and look through the site. We have included many features for our residents to use, such as forms to *Contact Us*, *Register for Email List*, *Report a Non-working Street Light*, or *Request a Message for the Message Board*. We have also included links to our Restrictive Covenants and Architectural Control Polices, information regarding our annual dues, and useful websites such as those for NACS and the Allen County Sheriff's Office.

This site will also be used to distribute information to all of our residents through newsletters, announcements, and a calendar. When a newsletter is ready or an announcement needs to be made, you will receive an email stating we have information to share and invite you to visit the site. To receive these messages, you will need to make sure you have registered for the Email List. Remember, we do not share or sell our email list. Please make sure you also allow messages from contact@theoakshoa.org to be sent to your inbox.

The Board would also like to give a huge thanks to Keith Hering for developing and maintaining the website. He has done a great job for all of us!
