Common area between Dupont  
Oaks Blvd. & Scarlet Oak Run

## Register for The Oaks' email list to receive future newsletters and notices

The Oaks uses an email system to distribute information to all of our residents through newsletters, announcements, and a calendar. When a newsletter is ready or an announcement needs to be made, you will receive an email stating we have information to share and invite you to visit the site. To receive these messages, you will need to make sure you have registered for the Email List. This can be done by clicking on the *Contact* link at the top of the homepage and selecting *Register for Email List*. Please make sure you also allow messages from [contact@theoakshoa.org](mailto:contact@theoakshoa.org) be sent to your inbox. (We do not share or sale our email list.)

While there, please take a little time and look through the site. We have included many features for our residents to use, such as forms to *Contact Us*, *Report a Non-working Street Light*, or *Request a Message for the Message Board*. We have also included links to our Restrictive Covenants and Architectural Control Polices, information regarding our annual dues, and useful websites such as those for NACS and the Allen County Sheriff's Office.

The Board would also like to give a huge thanks to Keith Hering for developing and maintaining the website. He has done a great job for all of us!

### Annual Picnic

Please look at the flier for our Association Picnic. The picnic this year will be held on Sept. 23.

### Kona Ice Truck

The Kona Ice truck will be through The Oaks on Thursdays between 6:00-7:00. Kona Ice is a shaved ice. Visit their website at [kona-ice.com](http://kona-ice.com).

# The Acorn

Summer 2017

## **A Special Thanks by Cöleen Amorini**

Last December my sweet dog, Sunny, passed away. If it wasn't for an anonymous gentleman in a grey pick-up truck and my neighbor, Randy Fillmore, I never would have gotten Sunny back home. I don't know the man in the grey pick-up truck, but I would like to thank him for being so chivalrous that day. I owe him and Randy a lot.

## **Reminders for the Summer:**

Please drive slowly through the neighborhood as many of our children are playing outside. If you see someone speeding through our streets, don't hesitate to contact the Allen County Sheriff department with the license plate number.

Fishing and swimming are not allowed in The Oaks' ponds.

Leave your porch lights on at night and lock your car doors. (There have been more break-ins recently.)

Don't forget to close your garage door at night. We have seen several instances where garage doors have been accidentally left open all night.

Pick up after your dog when out for a walk. (This is one of the largest complaints we receive.)

Get out and enjoy the summer weather by visiting with your neighbors!

# Have a great summer!
